

Dental Hygienist - Job Description

The Albrecht Free Clinic meets the medical, dental and behavioral health needs of uninsured and low-income individuals living or working in Washington County. Our dental program provides emergency care, basic restoration, oral hygiene and oral health education to individuals who qualify.

If you're passionate about helping others and committed to making a difference, the Albrecht Free Clinic wants to meet you! We are seeking a purpose-driven dental hygienist to join our team and to provide quality, compassionate care to those who need it most. This is a full-time or part-time position and a great opportunity for recent graduates.

The right candidate will be:

- an outstanding communicator; both with patients and with coworkers
- self-motivated & mission driven
- dependable & efficient
- patient-focused
- a team player
- committed to improving the health of the community

Essential responsibilities

- provide dental prophylaxis, scaling and root planing
- take X-rays, provide sealants & fluoride treatments
- ensure patient comfort & confidentiality
- provide oral hygiene education & home care instructions
- complete patient charting & documentation
- review medical histories & take patient vitals

Qualifications

- Registered Dental Hygienist license (required)
- CPR certified (required)
- Fluent in English & Spanish (preferred)
- The COVID vaccine is required for all staff.

Pay

Up to \$40 per hour depending on experience.

If you are looking not just for a job, but for an opportunity to make a difference, we want to meet you!
